Dear President Lederberg:

I am interested in raising funds to establish a Tatum Memorial Award in Science. After brief discussions with Drs. David Perkins and Samson Gross I have approached two companies (Eli Lilly Co and Miles Laboratories) for possible financial support. I have enclosed a copy of my letters for your reference. I am writing this letter to seek your support in this matter. I believe we all be delighted to see this materialized in a year when The Rockefeller University is celebrating its Twenty-fifth Anniversary.

With my kindest regards.

Sincerely,

  
N. C. Mishra  
Associate Professor
